

Transportation for Kindergarten Students

2018-2019

Kindergarten Transportation to School

- Students are transported to school on regular bus runs.
- Students are required to be at the bus stop 5 minutes prior to the stop time.
- If students live in the walk area, kindergarten students also walk to school.
- AM bus stop times can be found on the district website.

Kindergarten Transportation to Home

- Students are transported home on regular bus runs.
- If students live in the walk area, kindergarten students also walk from school.
- Bus drivers are not required to make sure there is a parent at the stop as long as other students are also getting off at the same stop.
- Parents must notify the Transportation Department in writing if they **do not** want their Kindergarten student getting off the bus without a parent or guardian.
- If written notification (email acceptable) is given and there isn't a parent at the stop to pick up the student, the bus driver will return the student to school.
- PM bus stop times can be found on the district website.
